

CHARITÉ BIH ENTREPRENEURSHIP SUMMIT 2019

JUNE
17–18
BERLIN

TODAY'S BREAKTHROUGHS—TOMORROW'S CURES

Startups and entrepreneurs are invited to apply for the **Life Sciences Venture Market**, a platform to present their companies to a pool of international business angels, venture investors, and corporate funds at this year's Summit. The best pitches will be awarded with a prize in each of the three categories: Digital, MedTech, and Pharma. Apply until May 19, 2019.

The Charité BIH Entrepreneurship Summit will gather over 400 leaders in medical innovation to address the biggest challenges and opportunities in healthcare.

Attending the Summit, startups can meet with other entrepreneurs, scientists, physicians, investors, policymakers, and industry leaders inter alia from Germany, Europe, Israel, the United States, and many other countries.

We are very pleased to announce the Commonwealth of Massachusetts as partner region of the Summit

2019. We look forward to learning more about the Massachusetts ecosystem.

The agenda features inspiring keynote speakers and broad-ranging panel discussions on important topics such as New Dynamics in Clinical Trials, The Role of Artificial Intelligence in Healthcare, as well as Investment Models and Strategies, and New Findings on Drug Actions with Focus on Repurposing.
